

# The results

1

Curriculum for training on methods and approaches to teaching persons with disabilities in non-formal adult education.

2

Curriculum for training on the application of assistive technologies in non-formal adult education.

3

Comprehensive Handbook on the integration of persons with disabilities in non-formal adult education.

# The project

IEDA is an Erasmus+ project that develops a structured model for integrating persons with disabilities into non-formal adult education, which serves as a basis for the implementation of future inclusive practices of non-formal education providers.

"Accessibility allows us to tap into everyone's potential"

**Debra Ruh**, Global Disability Inclusion Strategist and CEO of Ruh Global Communications

# The target

Professionals and practitioners in the field of non-formal education and related fields. <

Providers of services for persons with disabilities. <

Persons with disabilities. <
