

4rd NEWSLETTER

ONLINE MENTORING AND PROFESSIONAL PEER COACHING SKILLS FOR YOUTH TRAINING

ABOUT THE PROJECT

Online MENTOR will facilitate employability and transition of young people over 18 from youth to adulthood, increasing their level of job-competences and entrepreneurship skills.

The main objectives of the project are to create a network of specialized trainers on mentorship. To develop professional competences and entrepreneurial skills. To enhance tolerance, equality, gender balance, and social cohesion. To strengthen the connection between theoretical knowledge and practice in training.

The direct **target groups** are nurses, social workers, teachers, youth trainers, youth workers, practice responsables/ mentors interested to acquire knowledge, to learn practices and to improve their skills for becoming mentors for young people over 18 at the beginning of their career, students, volunteers.

Transnational project meeting no. 4

25. – 26. 9. 2019

The 4rd partnership meeting for the project MENTOR has been held on 25th and 26th September 2019 in Prague, Czech Republic. The hosting organization was Gender Studies, o.p.s. and it's library.

The main of the meeting was to present and discuss the state of the project activities and outputs. And also to set common plan for the up-coming activities in the final project period.

Intellectual output no. 6

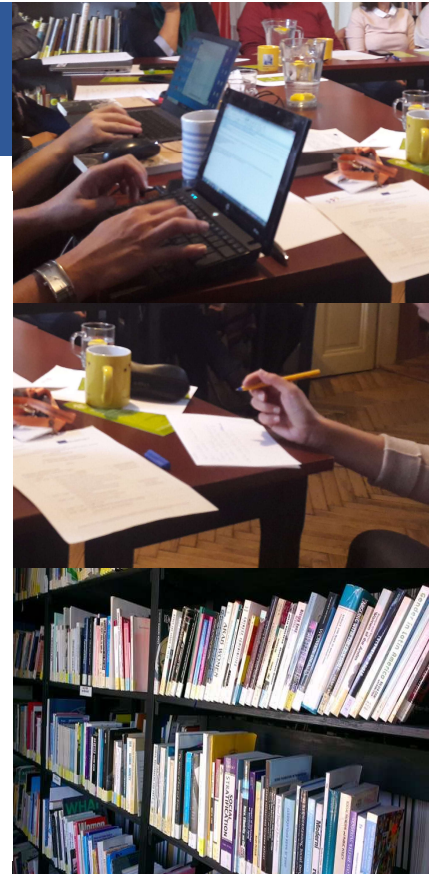

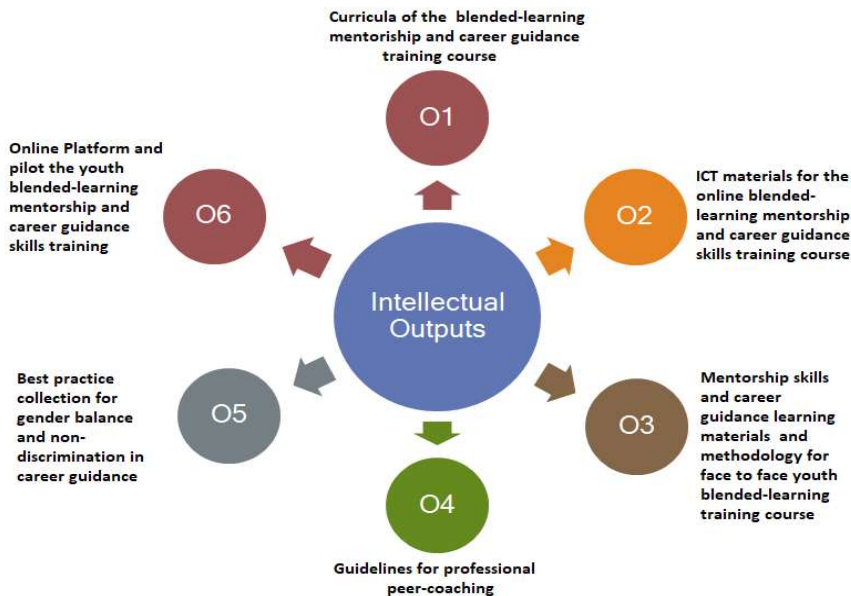

Up- coming intellectual output: Online Platform and pilot the youth blended-learning mentorship and career guidance skills training.

During the local piloting of the youth blended-learning mentorship and career guidance training course 180 young people over 18, from all participant countries will be trained locally.

Every partner will pilot the youth blended-learning mentorship training in its own country.

Trainers will provide the face to face courses, supervision and support during the on-line courses and follow up to participants. They will also be in charge with feedback, evaluation, validation and certification of the training sessions.

Intellectual outputs of the project:

Save the date – multiplier events

After accomplishing the project outcomes, the activity of **Multiplier events** will take place.

Every country will held local workshops, where there will be presented, the project description, the intellectual outputs, the planned activities, the results of the project, the impact on the target groups, employers and stake holders, the lessons learned.

The target group will be trainers and teachers, mentors and beneficiaries of their mentorship activities (students, volunteers, internship programmes participants), other professionals interested, but also, health, social work, education stake holders training providers.

Minimum 300 persons will attend the 5 events.
